

horoscope

today, the planets toast
you a green juice glass:
your health! salubrious
jupiter says salad is on
the menu. saturn sends
its best fitness instructor.
mercury ends retrograde
and your suffering (an
optional add-on). opt
o u t !
prioritize chaos on high
knees and kicked butts.
essentialize oil and free
fats. saturate scorpio's
ass and flatten abs into
plans of attack on self
love and snackable soul
merge mmm scorpionic
you are vibes and flows
in glib horoscopic glow
up girl, get your target
audience! boss girl, get
your summer skin slick
and oily for pescatarian
sex, selling hexes, witch
girl, get your green face
mask! green is soooo in
your eighth house, feed
on cow girl, eat up cud
sucker, liquid asset diet
girl, suckling baby girl,
no carb buttercup. the
single singular you go
girl. yes, you. get them.
